

I B PATEL ENGLISH SCHOOL (PRIMARY SECTION)

CLASS – 5

SUBJECT - EVS

CHAPTER – 1

Who will do this?

IMPORTANCE OF ENVIRONMENT

- Environment plays an important role in the healthy living of human beings.
- The Environment is the most important resource for life. We get water, power and Oxygen from the Environment.
- It helps to clear pollution and is a large habitat for animals.
- It matters because it is the only home that humans have, and it provides air, food, and other needs.
- Humanity's entire life support system depends on the well-being of all the environmental factors.
- Save the environment to save Life

IMPORTANCE OF TREES

- Trees provide shade and shelter, timber for construction, fuel for cooking and heating, and fruit for food as well as having many other uses.
- Trees supply us oxygen which is essential for our survival.
- We get food, fruits, flowers, fiber, seed etc... from trees.
- Trees provide us shed and shelters and natural habitat for birds and animal.
- Trees roots keep soil from washing away.

PRIMARY DUTIES

- We get many facilities where we reside or dwell.
- To preserve and maintain them is our moral duty.
- We use water and hence it is our duty to utilize it carefully.
- It is our duty to maintain the trees, streets and our environment .
- It is our prime duty to utilize our amenities wisely and rationally.
- Grow more Trees.
- Say No to Plastics.

PUBLIC PROPERTY

- There are many things in our villages or streets. They are our facilities. These are such facilities which are not owned by any individual but are used by everyone. Such properties are called public properties.

Public Property

Public parks

Trains

Post offices

Roads

Public schools

TYPES OF POLLUTION

AIR POLLUTION

WATER POLLUTION
